PhOENIX ENSEMBLE
Mark Lieb, Clarinet

These players do an excellent job, creating a beautiful blend and a delicate contrapuntal web that capture the atmospheric timelessness the composer strives for. Innova’s sound is immaculate, with a life-like presence.
— Stephen Eddins, All Music Guide

The Phoenix Ensemble’s commitment to these works is implicit; their intonation, precision and palpable enthusiasm is conveyed in each measure. Despite the seeming stylistic disparity of the two works, the album flows effortlessly.
