

Morton Feldman:
Clarinet and String Quartet

Milton Babbitt:
Quintet for Clarinet and
String Quartet
world premiere recording

innova 746

These players do an excellent job, creating a beautiful blend and a delicate contrapuntal web that capture the atmospheric timelessness the composer strives for. Innova's sound is immaculate, with a life-like presence.

— Stephen Eddins, *All Music Guide*

PHOENIX ENSEMBLE
Mark Lieb, Clarinet

The Phoenix Ensemble's commitment to these works is implicit; their intonation, precision and palpable enthusiasm is conveyed in each measure. Despite the seeming stylistic disparity of the two works, the album flows effortlessly.

— Troy Collins, *AllAboutJazz*
